

eRECYCLING: A GREAT COMMUNITY BENEFIT

CONVENIENT/ECONOMICAL

- Daily drop off at ProAct location
- Easy drive up service
- Equipment removed from your car, van or truck
- Reasonable pricing

WORKING TOWARDS A CLEANER ENVIRONMENT

- Keep electronics out of the landfill
- Recover precious metals for use in new products

CREATE GREEN JOBS

- Builds valuable skills and work habits while caring for the environment

AN INTEGRATED WORKPLACE FOR PEOPLE WITH DISABILITIES

- Steady employment for individuals with and without disabilities
- Continual training
- Experience in electronics recycling, customer service and team leadership

WE WANT YOUR OUTDATED, UNUSED ELECTRONICS

An electronics recycling program that accepts a wide range of products.

- A cleaner community
- Excellent service
- Local jobs
- People with disabilities

Minnesota-based ProAct eRecycling Services collects a long list of electronics and household products for disassembly and recycling. ProAct is a member of CyclePoint from SourceAmerica, a national nonprofit network that manages and promotes eRecycling services by people with disabilities. ProAct eRecycling Services offers competitive rates for CRT and television screen recycling, computers and other products that are no longer of use to consumers or businesses.

“KEEP IT OUT OF THE DITCH”

PROACT eRECYCLING SERVICES

(This information is available upon request in alternative languages and formats.)

Dedicated to serving people with disabilities and other barriers to employment and community inclusion, ProAct provides a wide range of client services that enhance employment skills and self-sufficiency capabilities. It also offers employers from the Twin Cities area, western Wisconsin and southern Minnesota with quality workplace employees and assembly, packaging and light manufacturing products and services.
