Monday, August 28, 2017 - Southview Country Club

Get your company name on the green!

Here is a great opportunity to put your company in front of a valuable captive audience in a wonderful setting. For more than 30 years, the ProAct Golf Classic has captured the interest of committed golfers and business owners who return for the fun and relaxation, with a small dose of competition to make the day complete. Many golfers have links to ProAct, a nonprofit that provides job skills training, experience and employment for individuals with disabilities. ProAct has long term business partners in the Twin Cities and Dakota and Goodhue Counties in Minnesota, as well as Pierce and St. Croix Counties in Wisconsin.

Together with a strong group of business leaders, the Golf Classic also draws family members who enjoy golf and have provided support for ProAct's attitude of caring and respect for those with disabilities. Designed to be fast moving and pleasurable for all, the golfing experience at the Southview Country Club also includes lunch and a gourmet dinner, snacks, give-away promotional items and silent and live auctions at the end of the day. All provide great visibility for sponsors!

More about Southview Country Club

Southview Country Club is a meticulously kept par 71 course. The fairways are narrow and undulating. The trees are close and oftentimes unforgiving. To score here, you have to be in the fairway, where lush, tightly mowed conditions allow for crisp iron shots that bite and hold the slippery, subtle greens. They roll true, smooth and more often than not – fast. At Southview, you will enjoy a challenging course that delivers a true test to every part of your golf game. Southview is noted for its immaculate rolling fairways, mature trees, numerous water hazards featuring fountains and magnificent landscaping. And, of course, the finest greens in this part of the country.
