Revised 06/13/2018

Policy on Person Centered Choices

I-11-A

Established 01/07/2015

It is ProAct's policy to ensure that all individuals served have the right of choice. Each person is free to come and go from the day services and/or the employment training services program, move in and around the community and move in and around the ProAct facility (not being restricted to one room or designated area) unless otherwise specified in an individual's plan and/or schedule.

In Eagan, before leaving the facility, individuals are expected to check in or out at the front desk. At other locations, when arriving/before leaving the facility, individuals are expected to check in/out at the front desk or other designated location.

Restrictions to individual choice are only allowed if they are determined to be necessary by a guardian and/or support team and written into the CSSPA/Plan of Care to ensure the health, safety and well-being of the person, and if they are a part of the program's specifications and regulations.

The individual service plan (CSSPA/Plan of Care) will include information about the class/job duties, hours, days and expectations. This will be recorded at least semi-annually and annually for updates and revisions to the plan. Approval of restrictions of choice may be withdrawn at any time.
