

Employment Services

Come see what works for you!

Mission

To provide person-centered services that enhances the quality of life for people with disabilities in the areas of employment, life skills and community inclusion.

Employment Exploration An opportunity for participants with limited work experience to explore employment through activities, such as small group employment education, job shadowing, tryouts, business tours. This is a time-limited service up to one year.

Employment Development Services - (also known as placement) Individualized services to actively assist participants to become competitively employed. Services can include, benefits review, job search assistance, customized employment, or paid work trials.

Employment Support Services (also known as long term support and enclaves) We offer two different levels of support in the community. Individualized services for competitive employment can include job coaching, job counseling support, new hire assistance, advocacy, coordinating employment transportation with employers or accommodation arrangements with a minimum of two site visits per month. Group services include direct supervision provided by ProAct staff, job support, job coaching, accommodation arrangements, job training and on the job counseling.
