**Explore Employment (EES)** – This individualized service helps participants gain a better understanding of employment to help them make an informed choice about working in the competitive job market through an interactive array of group and one-to-one classes and counseling sessions.

**Plan for Employment (EDS)** – This individualized service helps participants plan their employment goals, learn about career pathways and identify strengths and interests through educational sessions, job shadowing, tryouts, business tours and more.

**Find a Job (Placement) (VRS/SSB)** – This individualized service is customized to fit the needs of job seekers wanting competitive, integrated employment. Services may include benefits review, intensive job search assistance, resume development, job seeking skills training and other activities related to securing employment.

**Keep the Job (ESS)** - Individualized support services for individuals who are competitively employed help them maintain and retain their job. Services may include job coaching, job counseling support, new hire assistance, advocacy, coordinating employment transportation with employers or accommodation arrangements.
