Program	November 2022	July 2024	July 2024	See Appendix	1 of 1

Purpose:

To protect and promote the rights of all ProAct participants.

Scope:

All ProAct employees and participants

Policy:

For individual participant rights, please refer to Rights of Participants. This document is shared with participants and teams upon intake, and annually thereafter.

Policy on Person Centered Choices

It is ProAct’s policy to ensure that all participants have the right of choice. Each person is free to come and go from the assigned programs, move in and around the community and move in and around the ProAct facility (not being restricted to one room or designated area) unless otherwise specified in a participant’s plan and/or schedule.

Policy on Right to Personal Privacy, Security & Respect for Participants

It is ProAct’s policy to ensure that all participants have the right to personal privacy, security, and respect.

Policy on Right to Choose and Participate in Community Integration

It is ProAct’s policy to ensure that all participants have the right to participate in community integration, inclusive of employment, medical, therapeutic and or social/community activities, unless otherwise specified in the individual plan. Participants have the right to choose community providers for any services or activities provided by or at ProAct as they so desire unless otherwise specified in the individual plan.

Unrestricted Use Policy

It is the policy of ProAct, Inc. to provide an environment for participants that is physically accessible and supports unrestricted use unless identified in a participant’s plan (SPA). ProAct provides designated smoking areas and break/lunchroom spaces.

Policy Notification

ProAct is required to provide all participants or their legal representatives and case managers with a copy of the revised policies and explanation of the revisions that affect participants service-related or protection-related rights. Revised policies will be on ProAct’s website.
