PROACT BOARD OF DIRECTORS Meeting Minutes Tuesday, June 3rd, 2025 5:00 PM ProAct-Eagan Via Zoom and/or in person

Board members attending: Jim Louwagie, John Christiansen, Marty Stapleton, Steve Quirk, Teri McCloughan **Via Zoom:** Brian Knapp, Mary Ellen Leary, Paul Kramp **Board members absent:** Chuck DeNet, Pat Jones **Staff attending:** Judie Foster-Lupkin, Amanda Ballard, Melissa Munce

1. Call to Order and Attendance

Board Chair Brian Knapp called the meeting to order at 5:01 pm

2. Approval of the Agenda (Additions/Corrections/Deletions)

Brian Knapp asked for a motion to accept the board agenda, which Teri McCloughan moved to accept, seconded by John Christiansen, and the motion carried unanimously.

3. Review and Approve Board Meeting Minutes of meeting held May 6th, 2025

The board reviewed the May 6th minutes and noted two corrections. These will be corrected and posted to the board portal.

Brian Knapp asked for a motion to accept the minutes with the corrections discussed for 7. Shakopee Relocation Update, moved by John Christiansen and seconded by Steve Quirk. The motion carried unanimously.

4. Financial Report for April and YTD; Rolling 12-Month Reports, Cash Flow Statement and Balance Sheet In April, there were 22 service days. The net income from operations for the month was \$129,004. Year-to-date, our income from operations stands at just over \$1 million.

The Cash and Investment summary reflects a total of around \$23 million. Our CDs and CDARs are being rolled over as they mature. The balance sheet remains consistent and reconciled.

Brian Knapp requested a motion to accept the April financials. Paul Kramp moved to accept the financials, and John Christiansen seconded the motion, which was unanimously approved

5. Capital Budget Update

The Red Wing wall project has been completed, and Judie conducted a walk-through for the wall and window, which looked great! There is one additional repair needed for the roof and flashing that will be addressed once the painting is finished. Judie plans to return to Red Wing next week for the final walk-through. Once this is done, the work will be featured in an upcoming issue of ProAct Post.

The next steps for Red Wing involve updating the interior. Judie has met with the staff and has started a redesign plan. There was additional discussion regarding interior updates and bathroom remodeling. The board noted that \$500,000

has been allocated in the capital budget for these interior improvements, and they agreed to explore options for collaborating with an interior designer or design firm for design options and space planning.

Lastly, the board was informed that Judie will be meeting with the staff in Red Wing to announce a change in business hours. The plan is to extend Friday hours, as Red Wing currently closes at 1 PM on Fridays.

6. Program and Services Report

There were 22 service days in April, and we served 769 participants. We are seeing small and steady growth throughout all departments with lots of outings this summer!

We are currently almost fully staffed with only 1 opening in Day Services; we will also be welcoming back our DSP Assistants (age 16+) for the summer.

The Program Directors are working on an updated format for Program numbers, starting in July. The entire Senior Leadership Team will be attending the August board meeting.

7. Shakopee Update

Brian Knapp requested to go into Executive Session to discuss the Shakopee Relocation Update. Terry McCloughan moved to begin the Executive Session, and Jim Louwagie seconded the motion, which was unanimously approved.

The Executive Session ended at 5:54 pm.

There is a board resolution authorizing the purchase and designating the President and CEO as the signatory for the purchase of 4301 Dean Lakes Blvd. Shakopee, MN, for the purchase price of 6.25 million without outside financing. The resolution will need the Secretary and Treasurer's signature, which Amanda will send via DocuSign following the meeting.

Brian Knapp asked for a motion to accept the board resolution as noted above, which Teri McCloughan moved to accept, seconded by Marty Christiansen, and the motion carried unanimously.

8. Looking Ahead

a. Food Truck Event - Board Welcome!

Judie invited all Board Members to our Food Truck events for those interested in attending.

9. President & CEO Report

a. Proposed FY 25-26 Board Dates

The Board unanimously approved FY 25-26 Board Dates.

b. Election of Officers/Board Members for FY 26-27

i. Chair, Vice Chair, Secretary, and Treasurer

Brian has nominated Mary Ellen as the upcoming FY 25-26 Chair, Chuck and Paul have both accepted nominations to continue their current positions as Treasurer and Secretary. Brian offered to hold the Vice Chair position for FY 25-26.

Brian Knapp asked for a motion to accept the slate of officers for FY 25-26, which Jim Louwagie moved to accept, seconded by Terry McCloughan, and the motion carried unanimously.

ii. Marty Stapleton, Mary Ellen Leary, Paul Kramp

There are three board members up for election for FY 25-26: Marty, Mary Ellen, and Paul.

Brian Knapp asked for a motion to accept the renewal of these board members, which Teri McCloughan moved to accept, seconded by Steve Quirk, and the motion carried unanimously.

c. Annual By-Law Review

The board reviewed By-Laws and there were no changes.

d. Marketing & Communications Report

Judie highlighted ProAct's Marketing and Communication Reports and noted the upcoming Viewpoint Premier Party! The President of MOHR will be attending.

10. New Business

No New Business to discuss.

11. Adjourn

Brian Knapp called the meeting to adjourn at 6:10 PM.

Next Meeting: August 26th, 2025 Submitted by Amanda Ballard 1/1

Corporate Compliance Report 2025

It is the policy of ProAct to follow ethical standards of business practice established by the organization's management team and Board of Directors (Board); by oversight agencies; and state and federal law. ProAct has adhered to the Corporate Policy plan in following policies and procedures, including federal and state laws and guidelines.

ProAct has adopted policies and procedures specific to the organization's operational practices. These policies and procedures are reviewed at least annually and revisions are made, as necessary. The policies and procedures specific to the organization's compliance efforts are intended to support and further define the operational practices and responsibilities and, when possible, are integrated within existing policies and procedures. ProAct has also adopted a business code of conduct to guide all business activity. This code reflects a common-sense approach to ensuring appropriate and ethical behavior.

As the Corporate Compliance Office for ProAct, I am reporting to the Board that there have been no complaints filed for the fiscal year of 2024-2025.

JoAnn Peine

Human Resources Director and Corporate Compliance Officer

104 Conflict of Interest and Disclosure Policy

Section	Initiated	Last Update	Last Review	Related Procedure/Form	Page
Organization	November 2022		July 2024	See Appendix	1 of 2

Purpose:

ProAct is a nonprofit tax-exempt organization. Maintenance of its tax-exempt status is important both of its continued financial stability and for public support. Therefore, the IRS as well as state regulatory and tax officials view the operations of ProAct as a public trust, which is subject to scrutiny by and accountable to such governmental authorities as well as to members of the public.

Consequently, there exists between ProAct and its board and management team and the public a fiduciary duty, which carries with it a broad and unbending duty of loyalty and fidelity. The board and management team have the responsibility of administering the affairs of ProAct honestly and prudently, and of exercising their best care, skill, and judgment for the sole benefit of ProAct. Those persons will exercise the utmost good faith in all transactions involved in their duties, and they will not use their positions with ProAct, or knowledge gained there from for their personal benefit. The interests of the organization must be the first priority in all decisions and actions.

Scope:

This statement is directed not only to members of the board and management team, but also to all employees who can influence the actions of ProAct. For example, this would include all who make purchasing decisions, all persons who might be described as "management personnel" and anyone who has proprietary information concerning ProAct.

Definition of Conflict of Interest

A conflict of interest occurs whenever a contract or transaction takes place between ProAct and any of the parties shown below. (Note that all terms shown in capital letters are defined toward the end of this document.)

Mechanism to Prevent the Conflicted Party from Voting or Making Decisions on Potentially Conflicted Transactions:

Step #1:

Before a board or committee action, the Responsible Person having a Conflict of Interest is to disclose all material facts that apply to the contract or transaction. If the Responsible Person will not be in attendance, the Responsible Person should fully disclose all facts to the board or committee chair. The minutes of the meeting should include the disclosed facts.

Step #2:

During the discussion phase, the Responsible Person is to state facts and respond to questions only.

Step #3:

To determine whether a quorum is present for voting purposes, the count should not include the Responsible Person having the Conflict of Interest. In addition, the Responsible Person having the Conflict of Interest should not vote. The minutes of the meeting should reflect that this step has been followed.

Step #4:

The board or committee can authorize, approve, or ratify the contract or transaction in good faith by the affirmative vote of a majority of the directors or committee members (without counting the Responsible Person).

Additional Definitions:

A "Responsible Person" is a member or officer of the board of directors of ProAct, Inc., or a Key Employee of ProAct, Inc. A "Key Employee" is ProAct's CEO, all direct reports of ProAct's CEO, and all staff members whose positions are at the manager level or higher. A "Family Member" is a spouse, children, parents, parent-in-law, stepparents, siblings, or stepchildren. A "Material Financial Interest" is a financial interest that is substantial enough to affect ProAct's contracts or transactions.

Process for Annual Written Disclosure

Each Responsible Person will acknowledge in writing that a copy of this policy has been reviewed. Then, on an annual basis, each Responsible Person will disclose below anything that could contribute to a Conflict of Interest. Any information given will be kept confidential.

I have described below or on the other side of this document, any relationships, positions, or circumstances in which I am involved that I believe could contribute to a Conflict of Interest arising.

I hereby certify that the information set forth above is true and complete to the best of my knowledge. I have reviewed and agree to abide by the Conflict of Interest and Disclosure Policy of ProAct, Inc., which is currently in effect.

102 Business Code of Conduct

Section	Initiated	Last Update	Last Review	Related Procedure/Form	Page
Organization	November 2022	July 2024	July 2024	N/A	1 of 4

Purpose:

To provide guiding standards for our decisions and actions as members of the ProAct community.

Scope:

All Employees and Board Members

Policy:

ProAct's Business Code of Conduct provides the guiding standards for our decisions and actions as members of the community. Although the Code of Conduct can neither cover every situation in the daily conduct of many varied activities nor substitute for common sense, individual judgment, or personal integrity, it is the duty of each member of the ProAct community to adhere, without exception, to the principles set forth herein.

Mission

To provide person-centered services that enhance the quality of life for people with disabilities in the areas of employment, life skills, and community inclusion.

Directors and officers shall:

- Prudently represent ProAct's members in directing the business affairs of the organization within applicable laws, rules, and regulations.
- Act with the care that a reasonable person in a similar position would use under similar circumstances.
- Implement reasonable programs to promote appropriate organizational conduct and to identify improper conduct.
- Refrain from using their position of trust and confidence to further private interests.
- Avoid even the appearance of a conflict of interest.

ProAct staff members shall:

- Serve our customers with respect, compassion, courtesy, responsiveness, and professional competence.
- Demonstrate the highest standards of personal integrity, truthfulness, and honesty in all business relationships and activities in order to inspire the confidence and trust of our customers, avoiding any interest or activity which is in conflict with the conduct of legitimate organizational business.
- Provide opportunities for participants to develop person-centered plans, with supports tailored to meet individual needs, desires, and goals.
- Ensure the protection of vulnerable adults, respect individual privacy and the privileged status of confidential information and report any maltreatment or exploitation. Staff members will understand

and comply with all aspects of the standards of conduct policy, the data privacy policy, and the Vulnerable Adult Act.

- Adhere to all applicable laws, rules, and policies that govern the provision of services to individuals with disabilities.
- Pursue professional development in order to function as an informed team member; endeavor to understand community cultures and diverse home environments of participants.
- Approach operational duties with a positive attitude that supports open communication, creativity, flexibility, and accountability.
- Report all forms of illegal discrimination, fraud, or mismanagement of ProAct's funds without fear of retaliation or reprisal.

Employment Services

- Provide job development services only at work sites with safe environments, avoiding placements where employees are on strike. ProAct does not accept nor bid on struck work.
- Promote employment success by seeking environments that match the interest, ability and skill set of the individual.
- Seek to provide a variety of work to allow participants to maximize their earnings yet be challenged.
- Seek business only on a fair and competitive basis, without deception in the promotion of our services or products.

Service Delivery

- Distinguish between personal views and the philosophy of the organization in order to avoid any conflict of interest.
- Witness signatures on legal documents only when the individual is known to the staff member; if a notary public is required, the participant should be assisted to obtain that service.
- Be loyal to ProAct, avoiding the use of organizational privileges for private gain, the promotion of
 political candidates, and the exchange of money, gifts, or gratuities, other than token gifts of
 negligible value from participants/families in situations where they could feel undervalued for their
 efforts.
- Avoid personal fundraising among staff members and/or participants, as well as the sale of personal property to/from participants.
- Refrain from any type of social networking with participants which may breach the boundaries of professional conduct and avoid favoritism to any participants.
- Obtain approval in advance and follow established policies and procedures to engage in activities with participants outside of ProAct programs.

Financial Practices

- Conduct all accounting and financial practices in accordance with Generally Accepted Accounting Principles and all applicable federal, state, county, and local laws.
- Generate financial reports in a timely manner; ensure accuracy, appropriate oversight, and efficient practices with all critical accounting functions.

Marketing Practices

- Promote the use of integrated community work, volunteer, or leisure settings that include individuals without disabilities.
- Promote community awareness and advocacy on behalf of individuals with disabilities that includes recognition, with their permission, of their individual accomplishments.
- Promote the use of community environments that provide reasonable accommodations, positive attitudes and natural supports to the participant.

Contractual Relationships

- Provide contracted services under a written agreement; monitor to ensure that performance meets the responsibilities identified in the individual plans of participants.
- Evaluate contracted services annually for cost effectiveness and to ensure the health and safety of participants.

Reporting Method for All Staff Members and Board of Directors:

Staff Members:

Allegations of violations of the code of ethical conduct will be addressed through ProAct's complaint resolution procedure. This procedure should be used for any disagreement with the supervisor, management, or human resources personnel regarding established rules of conduct, policies, or practices. Staff members shall not go directly to the board of directors nor to the media and will exercise their right to disagree with ProAct in a respectful manner. Anyone suspected of violating the code of conduct may be subject to question by the Program Director and/or Human Resources Director and/or the President/CEO. The suspected staff member may be removed from active work duty pending the outcome of an investigation.

Complaint Resolution:

In any organization, dissatisfaction may arise because an employee does not know, understand, or agree with certain policy interpretations or management decisions. Such dissatisfactions are commonly referred to as grievances. At ProAct, we believe that if any employee has a grievance concerning his/her wages, hours of work, or other terms or conditions of employment, the matter should receive consideration of all concerned.

An employee who feels aggrieved is urged to take the matter up immediately with his/her supervisor. The supervisor is required to investigate the grievance and provide a response or decision within thirty (30) days. This investigation may consist of, but is not limited to, gathering information from other employees involved, reviewing company policy, and any other action necessary to become familiar with the situation.

If you are not satisfied with the response/decision from your immediate supervisor, you are encouraged to go to the next level of supervision, both orally and in writing. This next level of supervision will also have thirty (30) days in which to investigate the issues and respond to you in writing.

If, after these steps are taken you believe inadequate action has been taken to resolve your complaint contact the Human Resources Department. It is the policy of this organization to respond to any reasonable complaint within thirty (30) days and take the necessary actions to settle the issue. There will be no adverse actions taken against a complaining employee as a result of making the complaint, regardless of the outcome of the investigation.

If you have a problem which is more specifically addressed by the Anti-Harassment Policy, please follow the procedure described there.

Board Members:

Allegations of violations of the code of ethical conduct will be reported to the President/CEO or the chair of the board of directors of ProAct, Inc. Any action to be taken in response to the allegations will be reviewed with corporate legal advisors before proceeding.

I have read and understand the ProAct Inc. Business Code of Conduct Policy.
