Travel With A Smile

ProAct's organizational friends and partners mean the world to us. One special partner worth recognizing is the hard working team at MetroMove.

Whether sunny, rainy, or in the snow, MetroMove drivers provide our participants much needed support and assistance getting from place to place. Beyond just transportation, these drivers provide a smiling face and a warm personality all throughout the day.

One especially wonderful member of the MetroMove team joined participants in Shakopee to enjoy the freshly fallen snow by building a smiling snowman for all to enjoy.

Access to safe and reliable transportation is one of the pinnacle pieces of support adults with disabilities rely on to live happy and independent lives. Whether traveling to our sites, going out into the community, or taking time out of their day to build a snowman, everyone here at ProAct wishes to offer a thank you for all the incredible members of the MetroMove team.

Enrichment Program Highlights

Starting The New Year Right

This January started off the new year on the right foot!

In Red Wing, participants got into the baking mood and worked hard on making their own tasty treats. Much more fun was had with crafts, enjoying the snow, swaying to the music with the Universal Music Center, and spending time giving back by volunteering with Feed My Starving Children and the United Way.

In Shakopee, participants celebrated the new year with delicious meals, painting masterful hedgehog pictures, playing pool, and helping support people around the world with Feed My Starving Children.

In Eagan, participants showed off their artistic talents with their paint brushes and easels at the ready. Whether out and about exploring the History Center and the Julia Child exhibit or other big hits like the Bell Museum or Minnesota Zoo, there was all sorts of fun to be had.

Finally, in Hudson, participants flexed their bowling skills to aim for that perfect game. There were plenty of exciting trips to be had like going out to IKEA and stopping for a delicious meal along the way.

Diversity, Equity & Inclusion Activities

Monthly, ProAct's Diversity, Equity and Inclusion (DEI) Committee focuses on educating staff, participants and stakeholders in areas of culture, diversity, and disability. The committee chooses one diversity related area and a disability as its educational focuses for the month. Bulletin boards, e-mails, class projects and other tools are used to educate staff and participants at each of our four locations.

The committee chose **Presidents' Day** and **Prader Willis Syndrome** for the month of February.
