## Home Sweet Home In Shakopee

Last year it was announced that ProAct's Shakopee site would relocate, after previously leasing a space in coordination with with the Southwest Metro Special School District and Scott County, due the growing needs for space by the school district. In response, ProAct took the initiative to locate and purchase a new building that would be the forever home for our programs, services, and staff who support adults with disabilities in the greater Shakopee area.

Everyone at ProAct is excited to announce that our new Shakopee home is ready to open its doors to our friends, family, and community. **On April 7th, from 3:30PM to 5:00PM**, join us for an Open House and tour of our new home. Our new location is just down the road from our previously leased space at **4301 Dean Lakes Blvd, Shakopee, MN 55379**.

Meet with the ProAct Board, our staff, enjoy refreshments, and see for yourselves this incredible new space and all the work being done to serve our disability community.

We look forward to seeing you there!

## Enrichment Program Highlights

### Love Is In The Air

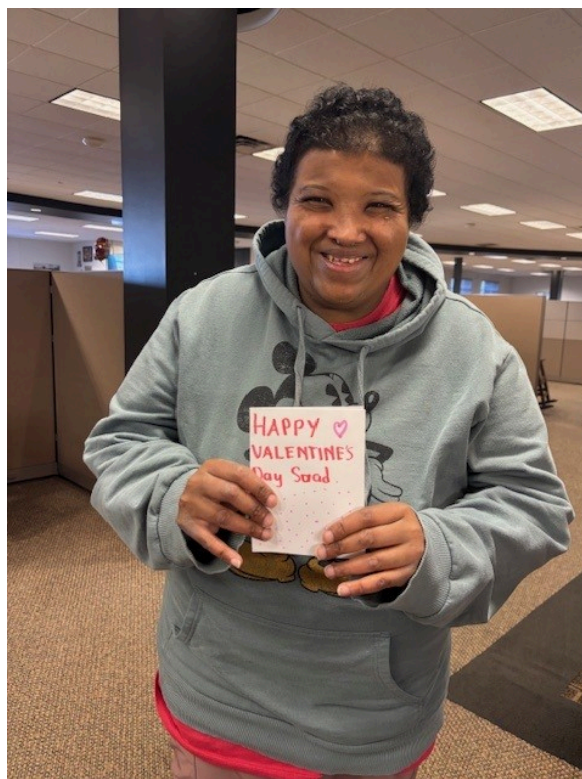

The month of February was one of hearts full of love and experiences filled with joy.

In Red Wing, participants, fans, and former classmates of Taylor Heise cheered her and the US Women's Hockey team as they earned their Gold Medal at the Olympics. In addition, festive activities and decorations celebrated the coming of Valentine's Day, along with trips to go bowling, head to the Minnesota Zoo, and coming together for a drum circle or two.

In Shakopee, participants celebrated Valentine's Day with heart filled cards and decorations, painted beautiful bears, owls, and penguins, enjoyed wellness activities with Three Rivers Park, and even made it out on the frozen lakes for ice fishing.

In Eagan, participants wore their hearts on their sleeves for all to see for Valentine's Day with crafts and fun, took trips to warm climates at Sustainable Safari, found dragons at Canvas Convergence, and celebrated Mardi Gras with masks and a parade.

Finally, in Hudson, participants made Valentine's Day boxes to celebrate the holiday, hung out with the animals at Snake Discovery, and showed off our love for shopping while out and about.

## Diversity, Equity & Inclusion Activities

Monthly, ProAct's Diversity, Equity and Inclusion (DEI) Committee focuses on educating staff, participants and stakeholders in areas of culture, diversity, and disability. The committee chooses one diversity related area and a disability as its educational focuses for the month. Bulletin boards, e-mails, class projects and other tools are used to educate staff and participants at each of our four locations.

The committee chose **Down Syndrome and Irish Heritage Month** for the month of March.
