

National Night Out

Every year, National Night Out stands out as a genuine highlight on the ProAct calendar. It is a day when ProAct's participants and staff can step out to connect and celebrate the strong bonds we share with our local police and fire departments.

Whether our groups are touring the bustling stations, getting an up-close look at the impressive emergency vehicles, or sharing a warm conversation with the officers and firefighters who keep us safe, the experience is always filled with big smiles and lasting memories.

A big thank you to the incredible first responders in Eagan, Red Wing, Shakopee, and Hudson. We appreciate your service and the hospitality you show us and those we serve year after year.

Enrichment Program Highlights

Rockets Red Glare

The month of July kept our attention and excitement as we celebrated America's 250th anniversary along with a wide variety of activities and adventures.

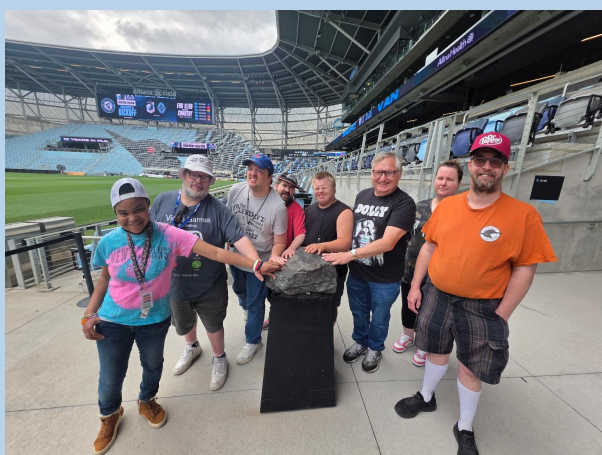

In Red Wing, participants enjoyed both fun and some bittersweet activities and adventures, like saying farewell to longtime driver Tim Schmitz at his retirement party, touring Allianz Stadium, and playing the drums with Universal Music Center, just to name a few.

In Shakopee, participants pulled out their best red, white, and blue attire for the Fourth, headed out on the water to go fishing, met some racing stars at Canterbury Downs, and partied on the patio and in the parking lot with games and lots of water.

In Eagan, participants waved their flags and dressed up for an Independence Day dance party, ended up dripping from head to toe during our annual water fun day, worked on mosaic art designed for all abilities, and even put their engineering caps on at the Works Museum.

Finally, in Hudson, participants got to work on their Fourth of July crafts, enjoyed the outdoors at the Carpenter Nature Center, worked on fun sensory paintings, and even picked beautiful bouquets at White Pine Berry Farm.

Diversity, Equity & Inclusion Activities

Monthly, ProAct's Diversity, Equity and Inclusion (DEI) Committee focuses on educating staff, participants and stakeholders in areas of culture, diversity, and disability. The committee chooses one diversity related area and a disability as its educational focuses for the month. Bulletin boards, e-mails, class projects and other tools are used to educate staff and participants at each of our four locations.

The committee chose **Don't Be A Bully Month** for the month of August.
